BOY MAY DIE FROM WOUND

Russell Ritter, 19, Accidentally Shot
in Right Side by Shotgun, Near
Manilla

SHOTS PENETRATE LIVER

Ritter, Brother and Cousin Moving
Straw Baler When Accident Hap-
pened Late Today

Russell Ritter, age 19, was prob-
ably fatally shot late this afternoon,
one-half mile west of Manilla, when a
12 gauge shotgun was accidentally
discharged in his hands.

The shot penetrated his liver, ac-
cording to physicians, and it is doubt-
ful whether he will live. He was suf-
fering from internal hemorrhages.

Ritter was with his brother Earl B.
Ritter, and his cousin, Chester Ga-
bimer. The trio was moving a straw
baler to the home of George Gabimer,
father of Chester. Ritter started to
take the gun off the baler and it ex-
ploded, the full charge striking him
in the right side.

He was removed to the office of
Drs. W. E. and Emerson Barnum in
Manilla for first aid treatment and a
call was sent for an ambulance to re-
move him to the Dr. Sexton hospital
in Rushville.

Ritter has been staying at the home
of his uncle, George Gabimer. His
parents live in Fayette county.

HALF BLOCK OF BUILDINGS BURN

Damage Estimated At Between
\$500,000 And \$750,000 Caused by
Fire in Kokomo Business Section

HIGH WIND FANS FLAMES

Kokomo, Ind., Dec. 28—Damage
estimated at between \$500,000 and
\$750,000 was caused by a fire which
destroyed a half block of buildings
in the business section of the city
early today.

The flames were fanned by a high
west wind and explosion of oils and
paints in a hardware store fed the
blaze.

Fire equipment was rushed here
from Peru and Logansport to aid in
fighting the flames, which threatened
destruction of the entire business
section.

The fire was discovered shortly
after 1 o'clock this morning in the
Armstrong-Landon Hardware com-
pany's building, a three story struc-
ture.

It had gained considerable head-
way before the first fire fighting
apparatus reached the scene. Suc-
cessive explosions of large supplies
of paints and oils stored in the
building fed fresh fuel to the fire.

Adjoining building caught fire and
the firemen confined their efforts to
attempting to prevent the fire from
spreading beyond the half-block
where it started.

The buildings occupied by the
Armstrong-Landon company, the
Ratts' Cut Price store, the Bergman
Grocery company and the Picture-
land theatre were totally destroyed.
Heavy loss was sustained by occu-
pants of offices in the upper stories
of the buildings.

A call for aid was sent to Peru
and Logansport when it seemed the
local department was unable to cope
with the blaze. Both places sent
equipment, and an officer of aid was
also received from Frankfort.

The strong west wind carried em-
bers from the burning buildings for
half a mile. Residents of the entire
east end of town were kept busy
throughout the night putting out
small blazes started on shingle roofs
by the embers.

The Spurgeon furniture store and
the Farmers' National bank, across
the street from the burning block,
caught fire, but little damage was
done to the two buildings.

Embers set fire to the Strand the-
atre, block east of the hardware
store. The blaze was quickly put
out.

Mayo Baker, a fireman, was seri-
ously injured when a fire truck ran
over him.

Origin of the fire has not been de-
termined.

NO TRACE OF BOY IS FOUND

Mervin Nay, High School
Still Missing From Home

No trace of Mervin Nay, 16 year
old Rushville high school student, who
disappeared Wednesday morning, has
been found, according to Orin Black-
burn, police chief, to whom the re-
port was made and announced yes-
ter day by his parents, Mr. and Mrs.
Robert Nay.

The missing boy is believed to be
in Indianapolis. Before leaving here,
it is said that he cashed a check for
\$35 given in payment to his father by
Ed Churchill, upon whose farm the
family lives. The residence is located
just north of the city limits, and west
of the new addition to the city park.

MOTHER, DAUGHTER KILLED; SON SAVED

Nicholas Mancini of Connersville
Expected to Recover Following
Mishap Near Greenfield

TRUCK SKIDS ON CAR LINE

(By United Press)
Connersville, Ind., Dec. 28—Physi-
cians declared today that Nicholas
Mancini, injured in an auto accident
near Greenfield last night, will re-

His injuries are not as serious as
the first examination indicated, it
was said.

The bodies of Mrs. Mary Mancini
and daughter, Roze Mancini, killed
in the crash, will be brought here
this afternoon. The surviving one
of the three was a son.

The Mancinis came to Connersville
a number of years ago. The family
owns extensive business interests
here.

Mancini's truck skidded and over-
turned on the interurban tracks, pin-
ning the two women under the seat.
Mancini made frantic efforts to re-
scue them, and was trying to drag his
mother out of danger when the in-
terurban struck them.

UNDUE HASTE FEARED IN M'CRAY SITUATION

Party Workers Caution State Chair-
man Walb, at State Conference,
Against Hasty Action

MIGHT REACT UNFAVORABLY

(By United Press)
Indianapolis, Ind., Dec. 28—Warn-
ing against undue haste in taking
any action against Governor McCray
was sounded by a number of party
workers called into conference by
Clyde A. Walb, state chairman, over
the question of calling the state com-
mittee to demand the governor's re-
signation.

The prevailing opinion among many
of those in conference with Walb
yesterday and today, it was said by
those close to Walb, is that there
should be no action that might react
unfavorably against the governor in
his trial on the charges returned
against him by the Marion county
grand jury.

Walb said this morning he would
make no decision regarding calling
the state committee until after he
had seen other district chairmen and
workers today.

Walb announced some time ago he
would call the committee the latter
part of December or the first of Jan-
uary and ask it to approve his de-
mand for McCray's resignation.

OFFICE BUILDING BURNS

Lansing, Mich., Dec. 28—A fire
starting in a theatre dressing room
early today destroyed a six story of-
fice building directly opposite the
state capitol grounds and caused a
loss of from \$250,000 to \$300,000.
Aided by high wind, the flames spread
rapidly before firemen reached the
scene.

COOLIDGE ACCEPTS

Pierre, S. Dak., Dec. 18—President
Coolidge today filed his formal ac-
ceptance of the republican majority
selection for president. In his declar-
ation of acceptance he adheres to the
state republican platform adopted at
the convention in December.

THE HUNGRY BEAR

Santa Claus Heard From 576 Rush County Children

Santa Claus, up at the North
Pole, heard from 576 Rush
county children through the
Daily Republican, according to
a check that has been made on
the Santa Claus letters pub-
lished in the Republican un-
til Christmas.

The custom of writing letters
to the jolly old man has been in
vogue among little folks of the
county for more than fifteen
years ago. Old files of the Re-
publican show that approxi-
mately three hundred children
adopted the same method of
making their wants known be-
fore Christmas in the year
1908.

BIENNIAL INSPECTION HELD

Between 80 And 90 Members of
Commandry Enjoy Turkey Dinner

The biennial inspection of Rush-
ville commandry, No. 49, Knights
Templar, was held Thursday evening
following a turkey dinner at the Ma-
sonic temple. Between eighty and
ninety Knights enjoyed the dinner
and saw the work in the Temple de-
gree afterwards.

The commandry was inspected by
Elwood Barnard of Greenfield, the
grand inspector of Indiana.

The attendance was considerably
reduced on account of the inclement
weather, which kept away many vis-
itors who were expected.

TO FILL MOSCOW VACANCY

Miss G. M. Sickels of Indianapolis
Employed as School Teacher

Miss G. M. Sickels of Indianapolis
has been employed by Birney D.
Farthing, county school superintend-
ent to the vacancy on the teaching
staff of the Moscow school, caused
by the resignation this week of Miss
Zella Hungerford, who also an-
nounced her marriage to Will Hun-
singer of Mays. Miss Sickels has had
considerable experience and is a tal-
ented singer and musician, and for
two years was supervisor of music at
Mackinaw.

Ill health last summer prevented
her from securing a position this
fall, and it is considered fortunate
that she consented to accept the po-
sition in this county for the rest of
the term.

CITY SEAL FUND STILL ON UPGRADE

Further Sales in Rushville Continue
to Swell Total, Which is \$151.80
Above 1922

NO NEW TOWNSHIP REPORTS

Believed Increase in City Will Off-
set Any Losses Outside, if There
Are Any

No new reports from the townships
were received today in the Christmas
Seals and Health Bond campaign but
the total receipts from sales in Rush-
ville city continued to swell and in-
crease the lead which this year is
piling up over last year.

"A Friend" whose identity was not
disclosed and who gave \$25.00 to aid
in the warfare on tuberculosis, was
responsible for half of the increase
in the city fund which amounted to
\$50.67. This brought the total gain
in the city this year to \$151.80 over
1922.

The increase in the city, it is be-
lieved, is large enough to offset any
losses that may occur in the town-
ships, none of which so far reported
have shown a loss with the exception
of Orange. An error was made Tues-
day in stating that Orange made no
contribution to the fund last year.
On the contrary, this township made
an investment of more than \$41.00
in the campaign.

Seven townships are yet to be
heard from and advance reports in-
dicate that the majority of them will
come up to previous records.

Purchasers of Seals and Bonds

lows:

ECHO OF 1913 FLOOD AT THE COURT HOUSE

Balance of \$505.72 Left Over After
Last Bond is Paid, Transferred to
County Fund

ISSUE AMOUNTED TO \$60,000

An echo of the disastrous 1913
flood in Rush county was heard at the
county auditor's office today when a
balance of \$505.72 in the flood bond
was transferred to the county fund,
from which the general expenses of
county administration are paid.

The last of the flood bonds issued
ten years ago were paid off in No-
vember and the account was closed
on the auditor's books by transfer-
ring the balance to the general fund,
as provided by law.

The bond issue amounted to \$60,-
000 and was sold to J. F. Wild and
company of Indianapolis for a prem-
ium of \$935 and \$600 accrued inter-
est. The bonds were issued to pay for
the bridges and roads damaged by
the flood.

Two balances in completed roads
funds were transferred to the town-
ships in which the roads were built
by the county auditor. Richland
township was benefited in the sum
of \$41.56, the balance in the W. T.
Moore road fund, and Noble town-
ship received \$314.07, which was left
over when all bills were paid on the
Harvey Smelser road. Both were built
under the three-mile road law.

BUSINESS FOR 1923 IS BEING CLOSED UP

County Commissioners Pay Final
Claims, Sam Young Serving For
Last Time as Member

APPROPRIATIONS BY COUNCIL

Closing up the business of 1923 is
occupying the time of county officials
this week and offices on the second
floor of the court house will be closed
Monday afternoon so that the books
may be formally closed.

The county board of commission-
ers wound up their 1923 business at
a special session Thursday, the
meeting marking the last time Samuel
Young, of this city will serve as a
member of the board. He will be suc-
ceeded by Jesse Winkler, also of this
city, who begins a four-year term
next Tuesday.

The commissioners awarded all
outstanding claims the county coun-
cil having previously made deficiency
appropriations amounting to \$3,023.-
28 in order to supply the various
funds with money to pay the last
1923 claims.

Appropriations were as follows:
Recorder's office 60 percent excess
fees, \$146; per diem of transient officer,
\$80; jail supplies, \$300; poor farm
supplies, \$481.03; poor farm em-
ploy, \$601.35; expense inmates state
institutions, \$69.87; measuring roads

porter, \$42; bailiff, \$185; board of

FOR DESERTING CHILDREN

Ed Price is Arrested at Brookville
And Brought Here For Trial

Ed Price is in jail on a charge of
child desertion following his arrest
this week in Brookville, and he was
brought here and placed in jail to
answer to the charge in the circuit
court. It is alleged that he abandoned
his family of six children, several
weeks ago and his whereabouts were
unknown, until found in Brookville.
He was arrested many years ago on a
charge of wife desertion, and after
remaining in jail several days, was
released upon promise to go back and
support his wife.

The defendant will probably be
arraigned Saturday in court, as he
has been unable to provide the neces-
sary bond to secure his release.

COUNCIL WANTS ALL CLAIMS

Wishes to Close Books For Year at
Meeting Monday Noon

The bills and claims against the
city of Rushville must be filed at
once, in order to secure payment,
when the council meets December 31
at noon, to allow all bills pending
against the city. Merchants and
others who have accounts with the
city, are urged by Earl E. Osborne,
city clerk, to file the statements be-
cause the payment of the bills may
be delayed considerably if permitted
to lapse into next year.

The city council will follow their
annual custom of meeting at noon on
the last day of the year, at which time
all employees will be paid in full for
the year, and give the books a
clean slate for the new year.

MAYFIELD CASE TO BE VEHICLE

Senatorial Investigation Will be Used
For Airing of "Inside Story" of
Ku Klux Klan

CLARK'S ADHERENTS TALK

Friends of Former Imperial Wizard
Say Order Will be Put on Trial—
Coolidge to Stay Out

(By United Press)

Atlanta, Ga., Dec. 28—Headquar-
ters of the rival factions of the Ku
Klux Klan were apparently undis-
turbed today by the sensational
statement of Edward Young Clarke,
former imperial wizard in Washing-
ton today, warning that a bitter feud
was impending.

Washington, Dec. 28—Investiga-
tion of the Mayfield case in the sen-
ate is to be made the vehicle for air-
ing the "inside story" of the Ku Klux
Klan, adherents of Edward Young
Clarke, former imperial wizard, said
here today, if President Coolidge
does not respond to Clarke's appeal
filed yesterday at the White House
that the president take the lead in a
movement to clean up the Klan or
stamp it out.

The order will be "put on trial be-
fore the court of public opinion," Ed-
gar Fuller, Clarke's representative,
said today.

The Mayfield case in which George
E. Peddy and others are contesting
the right of Earl B. Mayfield to a
seat in the senate from Texas, hinges
in part on allegations that May-
field is or was a Klan member.

Fuller said Clarke was in confer-
ence today with a "party of repre-
sentative citizens of the nation" and
that he probably would issue a pro-
clamation today calling on all klans-
men to meet in national assembly "to
clean out the Klan or disband it."

President Coolidge will decline to
be drawn into factional controversy
between Klan leaders. He and other
administration leaders resent inten-
tions to embarrass the government
by attempting to mix them in a pri-
vate squabble.

This, it was learned today, repre-
sents the administration's attitude
towards the efforts of Edward Young
Clarke, former head of the Klan, to
get Mr. Coolidge's co-operation in a
movement to stamp out the organiza-
tion.

Clarke, a letter from who was giv-
en to Mr. Coolidge's secretary yes-
terday and in whose behalf a state-
ment was issued later, was said by
Edgar Fuller, his agent here, to be
recovering from a cold somewhere in
Washington. Clarke's office in Atlan-
ta said he was still there last night
but would be in Washington today.
Clarke's next move will be a request
for a conference with president
Coolidge. Fuller said, Clarke has
documents, Fuller said, to substan-
tiate charges in his letter that the
Klan is being twisted to political uses
by its present control and that it
is becoming a menace.

Among documents Clarke intends
to show if he gets a chance, are let-
ters from Klansmen and Klan offi-
cers. One of these is a request to
Clarke to grant a special dispensa-
tion allowing a chief of police in a
large western city to become a Klan
member and stating the chief prom-
ised to appoint sixty Klansmen to the
police force at once, or to permit the
Klan itself to name the sixty.

Clarke's attack on the Klan was
met by a statement issued by Milton
Elrod, director of the department of
education and publication of the
Klan.

Elrod said that after seven years
of Clarke control the Klan had only
attained membership of 100,000 but
that since Clarke had retired, the
Klan has grown so fast that in No-
vember it was increasing at the
rate of 70,000 a week.

Warfare which will make the
mountain feuds of Kentucky look like
play will break out between factions
of the Ku Klux Klan unless present
conditions are removed, Clarke pre-
dicted in a statement.

Clarke arrived in Washington to
make a personal appeal to President
Coolidge to take the lead in a move
to clean-up the Klan or stamp it out
entirely.

After an open letter from Clarke
had been left at the White House
by Edward Fuller, his representative,

He Is Looking 'Em Over Again

"Eight years of stomach and liver trouble reduced me to a walking skeleton. My skin was dried up and as yellow as a twenty-dollar gold piece. I was filled with gas and had severe pains in my right side. I could not think and had lost all ambition to do anything. Doctors' medicine did not touch me. My cousin advised Mayr's Wonderful Remedy, which I gained sixty pounds, eat like a hired man and am looking 'em over again." It is a simple harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by druggists everywhere. —Advertisement

WORLD'S BEST NEWS—The angel said unto them, Fear not: for behold, I bring you good tidings of great joy, which shall be to all people. For unto you this day in the city of David, a Saviour, which is Christ the Lord.—Luke 2:10, 11.

Everybody's Business

What's everybody's business is nobody's business.

That has been the rule of life ever since the well known Heck was a pup.

And as long as everybody pays no attention to nobody's business and nobody pays attention to everybody's business, there will continue to be high tax rates, inefficiency in government and all of the lesser attendant evils.

The fellow who kicks the loudest about the way things are being run is always the last to volunteer to help, or even offer a constructive suggestion.

Then there is the type of citizen who is so engrossed with his own affairs—which consists of the gentle art of making money—that he never has time to think of his own community or the welfare of others.

Other types we see daily, engaged in this or that hobby, wholly oblivious to what is going on about them. They never give a thought to the betterment of things about them.

The beginning of the new year is a time for being optimistic. If there is any trace of pessimism left in our systems, we should throw it off before stepping on the 1924 platform.

While we are turning over our new leaves, we should all resolve to make the new year better by devoting a little less time to our own affairs and a little more in the service of others.

The public good deserves consideration from every individual. Let's make a resolution to reserve a little time for that duty during the new year and never refuse when we are called upon to do something that we don't have to do, but which will be for the betterment of the whole community.

Drunken Drivers

Drunkenness is bad enough—under any circumstances.

But drunken automobile drivers should never be tolerated. Drunkenness that can harm no one but the man himself is one thing and drunkenness that is a menace to all who use the streets and roads is wholly another thing.

That is a problem that we do not often confront here, but it is one to be considered and one which should be dealt with summarily by officials charged with the responsibility of upholding the law.

Sentiment against drunken automobile drivers, who are nothing short of potential murderers, is rapidly growing and it needs to flourish in order that lives may be saved.

People are beginning to regard the man who drives an automobile while under the influence of intoxicants, as a dangerous enemy of society and one who should not be tolerated. There is no other view that may be taken of him.

He is as dangerous as a maniac freed from the streets of any community with a loaded revolver in his hand.

Maniacs are not allowed on the streets under any conditions; yet men who make of themselves maniacs for the time being become even more dangerous when they get behind the wheel of an automobile.

The time has passed when they should be permitted to escape with a light fine or a small jail sentence. Because they are fortunate enough to escape killing anyone does not make the offense against law and order any less.

This type of criminal must be dealt with harshly, just as the law intends the man who makes and sells liquor should be dealt with.

SAFETY SAM

If th' Mexicans started that rumpus down there, thinkin' Ford 'd repeat a mistake, it shows they don't know 'im much better than some o' his countrymen!

Decatur—Citizens were petitioning for additional ornamental lights on several streets. During the past year about 100 lights of this type were erected in the city.

ARLINGTON BOWS
BEFORE INVADERS

HITTIN' 'EM
AND
MISSIN' 'EM

Without a game on the bill tonight for the Lions, Hittin' 'em will be lost and by next Friday night the fans should be real hungry. That's the reason there are two games in a row next week—Knightstown Friday and Columbus Saturday.

OR VISITING PODUNK

Most of the scribes in the state are taking a vacation this week. Even Georgie Purcell of Vincennes is sight seeing in Europe.

Georgie, we expect, is busy this week tabulating the results of all of the Big Ten lists that the scribes throughout the state were asked to send in after Christmas. He is going to compile data on all of the teams, and as soon as it is done we are going to spring it on you. He promises us with enough basketball material to supply us for every rainy day.

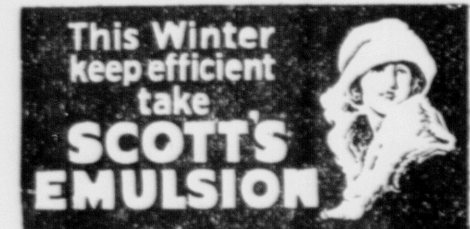

"Short Passes" of the Shelbyville Republican, calls attention to the fact that Newcastle and Muncie, old time rivals, are going to bury the hatchet until the last of January, when the two teams meet again, to which Shelbyville adds:

Shelbyville meets these two teams in successive weeks. Muncie will be seen here February 1, and Newcastle on February 8. In those two games Muncie and Newcastle should learn much which they would never get in playing among themselves.

Up at Gary they play basketball, and one of the teams lines up with the following players: forwards, Kopko, Dudak and Mein; centers, Jabo and Misko; guards, Polizzotto, Potomala and Popaditch. Those three guards, at least, ought to make points, if their names have anything to do with it.

WE'RE GRAHAM CRACKERS
NOW

Side Lights, now at Connersville all peevied up over the fact that we gave his team a first class name—

the Ikmiks, bursts out now with a name for us.

Who ever heard of a Graham Lion? Graham high school at Rushville calls the basketball team Lions, but they should be called GRAHAM CRACKERS—SOFT AND EASY TO DIGEST. Paste that in your hat Hittin' 'Em.

Better Call the Doctor

By the time those Ikmiks take their first bite of those Graham Crackers, they will think they're eating hard tack, and the crackers will give them indigestion.

And Side Lights continues by saying, "It's the Graham Crackers from now on. This ought to put an end to that Ikmik talk from across the way."

Hittin' 'em still insists that the Ikmiks are beautiful birds—but harmless.

Thru the Hoop, of the Shelbyville Democrat, offers to divide some of their holiday games with the Lions, probably thinking that the Camels have too many hard games right now. The only thing we hope, Shelbyville, is that you give Columbus a good wrangle January 4, so it will make it easier for us on the next night. The Democrat says this:

WE'LL DIVIDE

Hittin' 'Em of Rushville is lamenting the fact that the Lions have two weeks of inactivity. Well, Hittin' 'em, the Camels have Martinsville, Columbus, Franklin and Richmond in a row—enough to keep even George Purcell busy.

Newcastle went into the game last Friday night at Muncie with the purpose in mind of watching two of the best players on the Muncie team, and as "Watchin' the Fools" in the Muncie Press says, that nine out of ten of these well laid plans, generally result in a victory for the other team because the other three players are given more range, and make up for the points that the closely guarded player can't make.

The Lions Cubs play tonight at the Modern Appliance building, and will meet the high school alumni. If you want to see a game, and not grow stale during the holidays, it would be a good place to go.

IN THEIR NEW UNIFORMS

This group of skaters will represent the United States in the Olympic games in 1924. They are Charles Jewstraw, international outdoor champ; Harry Kasky, national and Canadian champ; Joe Moore, international indoor champ for 1922; William Steinmetz, 1922 outdoor champ; Richard Donovan and Valentine Bialis, alternates.

Dundee Remarkable Fighter

By HENRY L. FARRELL
(United Press Sports Editor)

New York, Dec. 28—Johnny Dundee, new junior lightweight champion, for many reasons, is the most remarkable fighter of his day. Perhaps his record might be extended so as to make him the most extraordinary boxer of all times and his field broadcast to make him the most unusual type in any field of sport.

Considering what Dundee has done in the thirteen years he has been boxing, and what he is still doing, the use of superlatives is not at all unwarranted by the facts.

As an example of preservation and patience, there is nothing to equal that of Dundee, who kept plodding on for thirteen years to win a title, the

world's featherweight championship, at an age, and after a career of hardships that should have shelved him as an old man.

Since he started boxing, Dundee has seen more than fifty champions of the ring rise to the top and then fade away. Only one-third of the boxers who have made names in those thirteen years are still boxing and Dundee is a champion, and a good one.

Dundee started boxing two years before Jim Jeffries lost his title to Jack Johnson, and since then Johnson and Willard have gone.

In the middleweight class, Papke, Klaus, Chip, McCoy, O'Dowd and Johnny Wilson have come and gone while Dundee was boxing.

Melody, Sullivan, Dixie Kid, Ted Lewis, and Jack Britton won and lost the welterweight championship.

The lightweight class had Gans, Nelson, Wolgast, Ritchie, Welsh and Leonard as champions, and Dundee fought Ritchie, Welsh and Leonard. In the featherweight class the picture contained Abe Attell, Johnny Kilbane and Eugene Crippen. Dundee fought Kilbane twice and took the title away from Crippen.

Johnny Coulon, Kid Williams, Pete Herman, Joe Lynch and Johnny Buff lost the bantamweight championship while Dundee was moving right along. Patsy Wallace, Abe Goldstein, Johnny Buff, Pancho Villa and Jimmy Wilde held and lost the lightweight flyweight championship during Dundee's time, and the light heavyweight championship passed from Levinsky, Carpentier, Siki, McTigue, Tunney and Greb during the same time.

FIGHTS AND FIGHTERS

New York—Gene Tunney, light-heavyweight champion and Verde Spalla, European heavyweight have been matched by Tex Rickard to meet in Madison Square Garden on February 15. Tunney will fight at 157 pounds and his title will not be at stake.

New York—William Muldoon has changed his mind about retiring from the New York boxing commission, according to his friends and will accept a re-appointment by Governor Smith on January 1, if it is offered him.

New York—Tex Rickard preferred not to comment upon reports from London that he was arranging a bout between Georges Carpentier and Tommy Gibbons to be contested here this winter.

ARLINGTON LOSES
HARD FOUGHT GAME

Defeated by South Side Turners of Indianapolis in Over-Time Contest

TIED AT 23 WHEN GUN SOUNDED

The Arlington Athletic Club lost a hard fought game Thursday night at Arlington to the South Side Turners of Indianapolis, in which an extra 5-minute period was required to name the winner, and which resulted in a 33 to 27 score for the visitors.

The 40 minute period ended with each team having 23 points, and in the overtime session, the visitors had the best of the argument and Arlington had tough luck on hitting the goal. The first half saw Arlington leading, 10 to 9.

The curtain raiser was won by the Arlington Juniors, who defeated the Carthage Yankee Five, 43 to 20.

The line-up and summary:
South Side 33 Arlington 27
Brown F Shook
Richeson F Haley
McClintic C E. Headlee
O. Brown G Miller
Smith G Wicker

Substitutions, Means for Shook, L. Headlee for Haley; goals, Shook 2, E. Headlee 4, Means, 3, Haley, L. Headlee 3, Brown 2, Richeson 3, Mc. Clintic 5, O. Brown 4, Smith. Foul goals, Arlington 1 out of 5; South Side 3 out of 3.

BY MARGIN OF FIVE POINTS

Fairview Athletic Club Defeats Westland Independents, 37 to 32

The Fairview Athletic club won a five point game Thursday night over Westland, defeating the team of that place 37 to 32. The game was close at all times, and the Westland team prepared to down the Fairview team by adding a few extra players to their list. Westland was previously defeated at Fairview by a two-heavy score.

The Fairview team also won a game the night before at Connersville, when they defeated the high school alumni team at Heeb's rink, 38 to 15. The score at half time was 14 to 11, but in the last half the Fairview bunch walked off with the honors.

SUES ON AN ACCOUNT

The H. P. Wasson and Company, Indianapolis merchants, have filed suit in Justice Stech's court against O. P. Wamsley, the complaint being on an account and with the demand being for \$35 judgment. The case has been set for trial in this court on January 2, at 11:30 o'clock.

COACHES WILL MEET ELKS

Rush County Mentors to Take on Shelbyville Net Team Here

A real basketball game is expected here next Wednesday night at eight o'clock, when the Rush County Coaches meet the Shelbyville Elks on the Modern Appliance floor.

The Elks have been traveling fast this season and nosed Arlington out by a field goal a few nights ago, and they also swamped the Moscow Independents. The Coaches will put forth a big effort to win the game, and it is said that if they play the kind of ball that they did against Fairview, that Shelbyville will be turned back. Neither team has announced their line-up, but the Elks will be composed of former high school stars of that city, and all of the coaches of this county will be in action against them.

Clarke in a sensational statement declared he was through with the clan; that a reign of lawlessness, "almost beyond belief" is attributable to clan strength in Texas, Louisiana, Arkansas, and Oklahoma; that in Ohio, Michigan and parts of Illinois, the clan is becoming "a master political machine."

Clarke said licensed carrying of guns by Klansmen should be prohibited as the influence on the individual who carries the gun is injurious and serves to make him an undesirable citizen in addition to giving him powers of intimidation which should belong only to regularly constituted officials of the law.

In Pennsylvania and Indiana licenses to carry guns have been and are being obtained by Klansmen under an old law with relation to the protection of cattle and other animals," Clarke said.

"I am informed that within the last few days about 150 such commissions were issued at one time in Indiana and Ohio.

MOVIES

Comedy Drama of The West

Hoot Gibson, the inimitable Western screen humorist of "The Gentleman from America," "Kindled Courage" and other Universal successes, is at the Mystic theatre today in the starring role of a rollicking comedy drama of the old West, "Dead Game."

"Dead Game" is the tale of a young man of the Texas ranges who knew the ranges and his horse awfully well but when it came to women he was at a terrible loss for knowledge. An old man sitting on a rail fence rudely informed him that he was a "dumb bell" where the ladies were concerned. From then on the "lesson" in love was spirited and entertaining for all who were entangled in it.

SHOTS PENETRATE LIVER

**Ritter, Brother and Cousin Moving
Straw Baler When Accident hap-
pened Late Today**

Russell Ritter, age 19, was prob-
ably fatally shot late this afternoon,
one-half mile west of Manilla, when a
12 gauge shotgun was accidentally
discharged in his hands.

The shot penetrated his liver, ac-
cording to physicians, and it is doubt-
ful whether he will live. He was suf-
fering from internal hemorrhages.

Ritter was with his brother Earl B.
Ritter, and his cousin, Chester Ga-
himer. The trio was moving a straw
baler to the home of George Gahimer,
father of Chester. Ritter started to
take the gun off the baler and it ex-
ploded, the full charge striking him
in the right side.

He was removed to the office of
Dr. W. E. and Emerson Barnum in
Manilla for first aid treatment and a
call was sent for an ambulance to re-
move him to the Dr. Sexton hospital
in Rushville.

Ritter has been staying at the home
of his uncle, George Gahimer. His
parents live in Fayette county.

HALF BLOCK OF BUILDINGS BURN

**Damage Estimated At Between
\$500,000 And \$750,000 Caused by
Fire in Kokomo Business Section**

HIGH WIND FANS FLAMES

Kokomo, Ind., Dec. 28—Damage
estimated at between \$500,000 and
\$750,000 was caused by a fire which
destroyed a half block of buildings
in the business section of the city
early today.

The flames were fanned by a high
west wind and explosion of oils and
paints in a hardware store fed the
blaze.

Fire equipment was rushed here
from Peru and Logansport to aid in
fighting the flames, which threatened
destruction of the entire business
section.

The fire was discovered shortly
after 1 o'clock this morning in the
Armstrong-Landon Hardware com-
pany's building, a three story struc-
ture.

It had gained considerable head-
way before the first fire fighting ap-
paratus reached the scene. Suc-
cessive explosions of large supplies
of paints and oils stored in the
building fed fresh fuel to the fire.

Adjoining building caught fire and
the firemen confined their efforts to
attempting to prevent the fire from
spreading beyond the half-block
where it started.

The buildings occupied by the
Armstrong-Landon company, the
Batts' Cut Price store, the Bergman
Grocery company and the Picture-
land theatre were totally destroyed.
Heavy loss was sustained by occu-
pants of offices in the upper stories
of the buildings.

A call for aid was sent to Peru
and Logansport when it seemed the
local department was unable to cope
with the blaze. Both places sent
equipment, and an officer of aid was
also received from Frankfort.

The strong west wind carried em-
bers from the burning buildings for
half a mile. Residents of the entire
east end of town were kept busy
throughout the night putting out
small blazes started on shingle roofs
by the embers.

The Spurgeon furniture store and
the Farmers' National bank, across
the street from the burning block,
caught fire, but little damage was
done to the two buildings.

Embers set fire to the Strand the-
atre, block east of the hardware
store. The blaze was quickly put
out.

Mayo Baker, a fireman, was se-
riously injured when a fire truck ran
over him.

Origin of the fire has not been de-
termined.

NO TRACE OF BOY IS FOUND

**Mervin Nay, High School
Still Missing From Home**

No trace of Mervin Nay, 16 year
old Rushville high school student, who
disappeared Wednesday morning, has
been found, according to Orie Black-
burn, police chief, to whom the re-
port was made and announced yes-
ter day by his parents, Mr. and Mrs.
Robert Nay.

The missing boy is believed to be
in Indianapolis. Before leaving here,
it is said that he cashed a check for
\$35 given in payment to his father by
Ed Churchill, upon whose farm the
family lives. The residence is located
just north of the city limits, and west
of the new addition to the city park.

(By United Press)
Connersville, Ind., Dec. 28—Physi-

His injuries are not as serious as
the first examination indicated, it

in the crash, will be brought here

of the three was a son.

The Mancinis came to Connersville
a number of years ago. The family
owns extensive business interests
here.

Mancini's truck skidded and over-

ning the two women under the seat.
Mancini made frantic efforts to re-
scue them, and was trying to drag his
mother out of danger when the in-
terurban struck them.

UNDUE HASTE FEARED IN M'CRAY SITUATION

**Party Workers Caution State Chair-
man Walb, at State Conference,
Against Hasty Action**

MIGHT REACT UNFAVORABLY

(By United Press)
Indianapolis, Ind., Dec. 28—Warn-
ing against undue haste in taking
any action against Governor McCray
was sounded by a number of party
workers called into conference by
Clyde A. Walb, state chairman, over
the question of calling the state com-
mittee to demand the governor's re-
signation.

The prevailing opinion among many
of those in conference with Walb
yesterday and today, it was said by
those close to Walb, is that there
should be no action that might react
unfavorably against the governor in
his trial on the charges returned
against him by the Marion county
grand jury.

Walb said this morning he would
make no decision regarding calling
the state committee until after he
had seen other district chairmen and
workers today.

Walb announced some time ago he
would call the committee the latter
part of December or the first of Jan-
uary and ask it to approve his de-
mand for McCray's resignation.

OFFICE BUILDING BURNS

Lansing, Mich., Dec. 28—A fire
starting in a theatre dressing room
early today destroyed a six story of-
fice building directly opposite the
state capitol grounds and caused a
loss of from \$250,000 to \$300,000.
Aided by high wind, the flames spread
rapidly before firemen reached the
scene.

COOLIDGE ACCEPTS

Pierre, S. Dak., Dec. 18—President
Coolidge today filed his formal ac-
ceptance of the republican majority
selection for president. In his declar-
ation of acceptance he adheres to the
state republican platform adopted at
the convention in December.

THE HUNGRY BEAR

Santa Claus Heard From 576 Rush County Children

Santa Claus, up at the North
Pole, heard from 576 Rush
county children through the
Daily Republican, according to
a check that has been made on
the Santa Claus letters pub-
lished in the Republican up un-
til Christmas.

The custom of writing letters to
the jolly old man has been in
vogue among little folks of the
county for more than fifteen
years ago. Old files of the Re-
publican show that approxi-
mately three hundred children
adopted the same method of
making their wants known be-
fore Christmas in the year
1908.

BIENNIAL INSPECTION HELD

**Between 80 And 90 Members of
Commandry Enjoy Turkey Dinner**

The biennial inspection of Rush-
ville commandry, No. 49, Knights
Templar, was held Thursday evening
following a turkey dinner at the Ma-
sonic temple. Between eighty and
ninety knights enjoyed the dinner
and saw the work in the temple de-
gree afterwards.

The commandry was inspected by
Elwood Barnard of Greenfield, the
grand inspector of Indiana.

The attendance was considerably
reduced on account of the inclement
weather, which kept away many visi-
tors who were expected.

TO FILL MOSCOW VACANCY

**Miss G. M. Sickels of Indianapolis
Employed as School Teacher**

Miss G. M. Sickels of Indianapolis
has been employed by Birney D.
Farthing, county school superintend-
ent to the vacancy on the teaching
staff of the Moscow school, caused
by the resignation this week of Miss
Zella Hungerford, who also an-
nounced her marriage to Will Hun-
singer of Mays. Miss Sickels has had
considerable experience and is a tal-
ented singer and musician, and for
two years was supervisor of music at
Mackinaw.

Ill health last summer prevented
her from securing a position this
fall, and it is considered fortunate
that she consented to accept the po-
sition in this county for the rest of
the term.

CITY SEAL FUND STILL ON UPGRADE

**Further Sales in Rushville Continued
to Swell Total, Which is \$151.80
Above 1922**

NO NEW TOWNSHIP REPORTS

**Believed Increase in City Will Off-
set Any Losses Outside, if There
Are Any**

No new reports from the townships
were received today in the Christmas
Seals and Health Bond campaign but
the total receipts from sales in Rush-
ville city continued to swell and in-
crease the lead which this year is
piling up over last year.

"A Friend" whose identity was not
disclosed and who gave \$25.00 to aid
in the warfare on tuberculosis, was
responsible for half of the increase
in the city fund which amounted to
\$50.67. This brought the total gain
in the city this year to \$151.80 over
1922.

The increase in the city, it is be-
lieved, is large enough to offset any
losses that may occur in the town-
ships, none of which so far reported
have shown a loss with the exception
of Orange An error was made Tues-
day in stating that Orange made no
contribution to the fund last year.
On the contrary, this township made
an investment of more than \$41.00
in the campaign.

Seven townships are yet to be
heard from and advance reports in-
dicate that the majority of them will
come up to previous records.

Purchasers of Seals and Bonds
in the city and townships are as fol-
lows:

announced today by the Stand-
ard Oil Company of Indiana.

ECHO OF 1913 FLOOD AT THE COURT HOUSE

**Balance of \$505.72 Left Over After
Last Bond Is Paid, Transferred to
County Fund**

ISSUE AMOUNTED TO \$60,000

An echo of the disastrous 1913
flood in Rush county was heard at the
county auditor's office today when a
balance of \$505.72 in the flood bond
was transferred to the county fund,
from which the general expenses of
county administration are paid.

The last of the flood bonds issued
ten years ago were paid off in No-
vember and the account was closed
on the auditor's books by transfer-
ring the balance to the general fund,
as provided by law.

The bond issue amounted to \$60,-
000 and was sold to J. F. Wild and
company of Indianapolis for a pre-
mium of \$935 and \$600 accrued inter-
est. The bonds were issued to pay for
the bridges and roads damaged by
the flood.

Two balances in completed roads
funds were transferred to the town-
ships in which the roads were built
by the county auditor. Richland
township was benefitted in the sum
of \$41.56, the balance in the W. T.
Moore road fund, and Noble town-
ship received \$314.07, which was left
over when all bills were paid on the
Harvey Smelser road. Both were built
under the three-mile road law.

BUSINESS FOR 1923 IS BEING CLOSED UP

**County Commissioners Pay Final
Claims, Sam Young Serving For
Last Time as Member**

APPROPRIATIONS BY COUNCIL

Closing up the business of 1923 is
occupying the time of county officials
this week and offices on the second
floor of the court house will be closed
Monday afternoon so that the books
may be formally closed.

The county board of commission-
ers wound up their 1923 business at
a special session Thursday, the
meeting marking the last time Samuel
Young, of this city will serve as a
member of the board. He will be suc-
ceeded by Jesse Winkler, also of this
city, who begins a four-year term
next Tuesday.

The commissioners awarded all
outstanding claims the county coun-
cil having previously made deficiency
appropriations amounting to \$3,023.-
28 in order to supply the various
funds with money to pay the last
1923 claims.

Appropriations were as follows:
Recorder's office 60 percent excess
fees, \$146; per diem of transient officer,
\$80; jail supplies, \$300; poor farm
supplies, \$481.03; poor farm em-
ploy, \$601.35; expense inmates state
institutions, \$69.87; measuring roads
\$19; expense jury \$600; official re-
porter, \$42; bailiff, \$185; board of
children's guardians, \$8.03; expenses
juvenile court \$60; expenses court
room \$100; expenses returning fugi-
tives \$17.

FOR DESERTING CHILDREN

**Ed Price is Arrested at Brookville
And Brought Here For Trial**

Ed Price is in jail on a charge of
child desertion following his arrest
this week in Brookville, and he was
brought here and placed in jail to
answer to the charge in the circuit
court. It is alleged that he abandoned
his family of six children, several
weeks ago and his whereabouts were
unknown, until found in Brookville.
He was arrested many years ago on a
charge of wife desertion, and after
remaining in jail several days, was
released upon promise to go back and
support his wife.

The defendant will probably be
arraigned Saturday in court, as he
has been unable to provide the neces-
sary bond to secure his release.

COUNCIL WANTS ALL CLAIMS

**Wishes to Close Books For Year at
Meeting Monday Noon**

The bills and claims against the
city of Rushville must be filed at
once, in order to secure payment,
when the council meets December 31
at noon, to allow all bills pending
against the city. Merchants and
others who have accounts with the
city, are urged by Earl E. Osborne,
city clerk, to file the statements be-
cause the payment of the bills may
be delayed considerably if permitted
to lapse into next year.

The city council will follow their
annual custom of meeting at noon on
the last day of the year, at which time
all employees will be paid in full for
the year, and give the books a
clean slate for the new year.

MAYFIELD CASE TO BE VEHICLE

**Senatorial Investigation Will be Used
For Airing of "Inside Story" of
Ku Klux Klan**

CLARK'S ADHERENTS TALK

**Friends of Former Imperial Wizard
Say Order Will be Put on Trial—
Coolidge to Stay Out**

(By United Press)

Atlanta, Ga., Dec. 28—Headquar-
ters of the rival factions of the Ku
Klux Klan were apparently undistur-
bed today by the sensational
statement of Edward Young Clarke,
former imperial wizard in Washing-
ton today, warning that a bitter feud
was impending.

Washington, Dec. 28—Investiga-
tion of the Mayfield case in the sen-
ate is to be made the vehicle for air-
ing the "inside story" of the Ku Klux
Klan, adherents of Edward Young
Clarke, former imperial wizard, said
here today, if President Coolidge
does not respond to Clarke's appeal
filed yesterday at the White House
that the president take the lead in a
movement to clean up the Klan or
stamp it out.

The order will be "put on trial be-
fore the court of public opinion," Ed-
gar Fuller, Clarke's representative,
said today.

The Mayfield case in which George
E. Peddy and others are contesting
the right of Earl E. Mayfield to a
seat in the senate from Texas, hinges
in part on allegations that May-
field is or was a Klan member.

Fuller said Clarke was in confer-
ence today with a "party of repre-
sentative citizens of the nation" and
that he probably would issue a pro-
clamation today calling on all klans-
men to meet in national assembly, "to
clean out the Klan or disband it."
President Coolidge will decline to
be drawn into factional controversy
between Klan leaders. He and other
administration leaders resent inten-
tions to embarrass the government
by attempting to mix them in a pri-
vate squabble.

This, it was learned today, repre-
sents the administration's attitude
towards the efforts of Edward Young
Clarke, former head of the Klan, to
set Mr. Coolidge's co-operation in a
movement to stamp out the organiza-
tion.

Clarke, a letter from who was given
to Mr. Coolidge's secretary yester-
day and in whose behalf a state-
ment was issued later, was said by
Edgar Fuller, his agent here, to be
recovering from a cold somewhere in
Washington. Clarke's office in Atlan-
ta said he was still there last night
but would be in Washington today.
Clarke's next move will be a request
for a conference with president
Coolidge. Fuller said, Clarke has
documents, Fuller said, to substan-
tiate charges in his letter that the
Klan is being twisted to political uses
by its present control and that it
is becoming a menace.

Among documents Clarke intends
to show if he gets a chance, are let-
ters from Klansmen and Klan offi-
cers. One of these is a request to
Clarke to grant a special dispensa-
tion allowing a chief of police in a
large western city to become a Klan
member and stating the chief prom-
ised to appoint sixty Klansmen to the
police force at once, or to permit the
Klan itself to name the sixty.

Clarke's attack on the Klan was
met by a statement issued by Milton
Elrod, director of the department of
education and publication of the
Klan.

Elrod said that after seven years
of Clarke control the Klan had only
attained membership of 100,000 but
that since Clarke had retired, the
Klan has grown so fast that in No-
vember it was increasing at the
rate of 70,000 a week.

Warfare which will make the
mountain feuds of Kentucky look like
play will break out between factions
of the Ku Klux Klan unless present
conditions are removed, Clarke pre-
dicted in a statement.

Clarke arrived in Washington to
make a personal appeal to President
Coolidge to take the lead in a move
to clean-up the Klan or stamp it out
entirely.

After an open letter from Clarke
had been left at the White House
by Edward Fuller, his representative,

He Is Looking 'Em Over Again

"Eight years of stomach and liver trouble reduced me to a walking skeleton. My skin was dried up and as yellow as a twenty-dollar gold piece. I was filled with gas and had severe pains in my right side. I could not think and had lost all ambition to do anything. Doctors' medicine did not touch me. My cousin advised Mayr's Wonderful Remedy, which snatched me from the grave. I have gained sixty pounds, eat like a hired man and am looking 'em over again." It is a simple harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by druggists everywhere.

WORLD'S BEST NEWS:—The angel said unto them, Fear not: for behold, I bring you good tidings of great joy, which shall be to all people. For unto you this day in the city of David, a Saviour, which is Christ the Lord.—Luke 2:10, 11.

Everybody's Business

What's everybody's business is nobody's business.

That has been the rule of life ever since the well known Heck was a pup.

And as long as everybody pays no attention to nobody's business and nobody pays attention to everybody's business, there will continue to be high tax rates, inefficiency in government and all of the lesser attendant evils.

The fellow who kicks the loudest about the way things are being run is always the last to volunteer to help, or even offer a constructive suggestion.

Then there is the type of citizen who is so engrossed with his own affairs—which consists of the gentle art of making money—that he never has time to think of his own community or the welfare of others.

Other types we see daily, engaged in this or that hobby, wholly oblivious to what is going on about them. They never give a thought to the betterment of things about them.

The beginning of the new year is a time for being optimistic. If there is any trace of pessimism left in our systems, we should throw it off before it gets a chance to grow.

Simple Colds indicate a need of
SCOTT'S EMULSION
to build resistance

fore stepping on the 1924 platform.

While we are turning over our new leaves, we should all resolve to make the new year better by devoting a little less time to our own affairs and a little more in the service of others. The public good deserves consideration from every individual. Let's make a resolution to reserve a little time for that duty during the new year and never refuse when we are called upon to do something that we don't have to do, but which will be for the betterment of the whole community.

Drunken Drivers

Drunkenness is bad enough under any circumstances.

But drunken automobile drivers should never be tolerated.

Drunkenness that can harm no one but the man himself is one thing and drunkenness that is a menace to all who use the streets and roads is wholly another thing.

That is a problem that we do not often confront here, but it is one to be considered and one which should be dealt with summarily by officials charged with the responsibility of upholding the law.

Sentiment against drunken automobile drivers, who are nothing short of potential murderers, is rapidly growing and it needs to flourish in order that lives may be saved.

People are beginning to regard the man who drives an automobile while under the influence of intoxicants, as a dangerous enemy of society and one who should not be tolerated. There is no other view that may be taken of him.

He is as dangerous as a maniac freed on the streets of any community with a loaded revolver in his hand.

Maniacs are not allowed on the streets under any conditions; yet men who make of themselves maniacs for the time being become even more dangerous when they get behind the wheel of an automobile.

The time has passed when they should be permitted to escape with a light fine or a small jail sentence. Because they are fortunate enough to escape killing anyone does not make the offense against law and order any less.

This type of criminal must be dealt with harshly, just as the law intends the man who makes and sells liquor should be dealt with.

SAFETY SAM

If the Mexicans started that rumpus down there, thinkin' Ford'd repeat a mistake, it shows they don't know 'im much better than some o' his countrymen!

Decorat—Citizens there are petitioning for additional ornamental lights on several streets. During the past year about 100 lights of this type were erected in the city.

FAIRVIEW AVENGES
DEFEAT BY WESTLAND

HITTIN' 'EM AND MISSIN' 'EM

Without a game on the bill tonight for the Lions, Hittin' 'em will be lost and by next Friday night the fans should be real hungry. That's the reason there are two games in a row next week—Knightstown Friday and Columbus Saturday.

OR VISITING PODUNK

Most of the scribes in the state are taking a vacation this week. Even Georgie Purcell of Vincennes is sight seeing in Europe.

Georgie, we expect, is busy this week tabulating the results of all of the Big Ten lists that the scribes throughout the state were asked to send in after Christmas. He is going to compile data on all of the teams, and as soon as it is done we are going to spring it on you. He promises us with enough basketball material to supply us for every rainy day.

"Short Passes" of the Shelbyville Republican, calls attention to the fact that Newcastle and Muncie, old time rivals, are going to bury the hatchet until the last of January, when the two teams meet again, to which Shelbyville adds:

Shelbyville meets these two teams in successive weeks. Muncie will be seen here February 1, and Newcastle on February 8. In those two games Muncie and Newcastle should learn much which they would never get in playing among themselves.

Up at Gary they play basketball, and one of the teams lines up with the following players: forwards, Kopko, Dudak and Meier; centers, Jabo and Misko; guards, Polizzotto, Pottomala and Popaditch. Those three guards, at least, ought to make points, if their names have anything to do with it.

WE'RE GRAHAM CRACKERS NOW

Side Lights, over at Connersville all peevish over the fact that we gave his team a first class name—

the Ikniiks, bursts out now with a name for us.

Who ever heard of a Graham Lion? Graham high school at Rushville calls the basketball team Lions, but they should be called GRAHAM CRACKERS—SOFT AND EASY TO DIGEST. Paste that in your hat Hittin' 'Em.

Better Call the Doctor

By the time those Ikniiks take their first bite of those Graham Crackers, they will think they're eating hard tack, and the crackers will give them indigestion.

And Side Lights continues by saying, "It's the Graham Crackers from now on. This ought to put an end to that Ikniik talk from across the way."

Hittin' 'em still insists that the Ikniiks are beautiful birds—but harmless.

Thru the Hoop, of the Shelbyville Democrat, offers to divide some of their holiday games with the Lions, probably thinking that the Camels have too many hard games right now. The only thing we hope, Shelbyville, is that you give Columbus a good wrangle January 4, so it will make it easier for us on the next night. The Democrat says this:

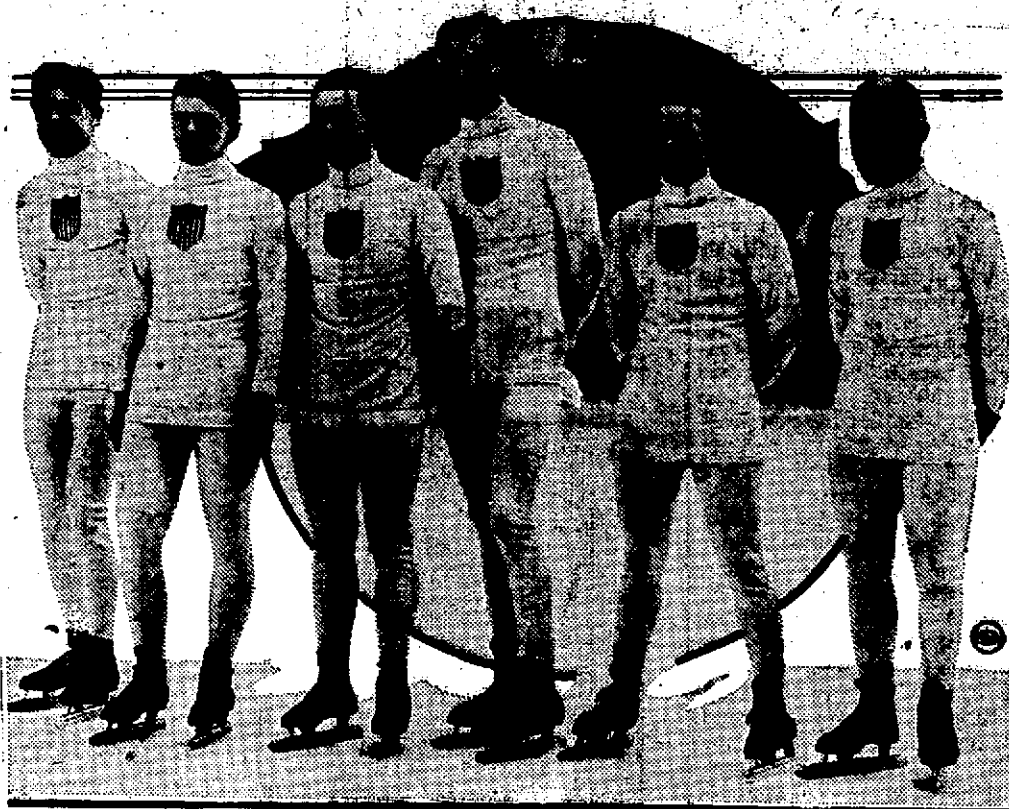

WE'LL DIVIDE

Hittin' 'Em of Rushville is lamenting the fact that the Lions have two weeks of inactivity. Well, Hittin' 'em, the Camels have Martinsville, Columbus, Franklin and Richmond in a row—enough to keep even George Purcell busy.

Newcastle went into the game last Friday night at Muncie with the purpose-in-mind of watching two of the best players on the Muncie team, and as "Watchin' the Fouls" in the Muncie Press says, that nine out of ten of these well laid plans, generally result in a victory for the other team because the other three players are given more range, and make up for the points that the closely guarded player can't make.

The Lions Cubs play tonight at the Modern Appliance building, and will meet the high school alumni. If you want to see a game, and not grow stale during the holidays, it would be a good place to go.

Dundee Remarkable Fighter

By HENRY L. FARRELL
(United Press Sports Editor)

New York, Dec. 28—Johnny Dundee, new junior lightweight champion, for many reasons, is the most remarkable fighter of his day. Perhaps his record might be extended so as to make him the most extraordinary boxer of all times and his field broadened to make him the most unusual type in any field of sport.

Considering what Dundee has done in the thirteen years he has been boxing, and what he is still doing, the use of superlatives is not at all unwarranted by the facts.

As an example of preservation and patience, there is nothing to equal that of Dundee, who kept plodding on for thirteen years to win a title, the

world's featherweight championship, at an age, and after a career of hardships that should have shelved him as an old man.

Since he started boxing, Dundee has seen more than fifty champions of the ring rise to the top and then fade away. Only one-third of the boxers who have made names in those thirteen years are still boxing and Dundee is a champion, and a good one.

Dundee started boxing two years before Jim Jeffries lost his title to Jack Johnson; and since then Johnson and Willard have gone.

In the middleweight class, Papke, Klaus, Chip, McCoy, O'Dowd and Johnny Wilson have come and gone while Dundee was boxing.

Melody, Sullivan, Dixie Kid, Ted Lewis, and Jack Britton won and lost the welterweight championship.

The lightweight class had Gans, Nelson, Wolgast, Ritchie, Welsh and Leonard as champions; and Dundee fought Ritchie, Welsh and Leonard.

In the featherweight class the picture contained Abe Attell, Johnny Kilbane and Eugene Crippi. Dundee fought Kilbane twice and took the title away from Crippi.

Johnny Coulon, Kid Williams, Pete Herman, Joe Lynch and Johnny Buff lost the bantamweight championship while Dundee was moving right along.

Patsy Wallace, Abe Goldstein, Johnny Buff, Pancho Villa and Jimmy Wilde held and lost the lightweight flyweight championship during Dundee's time, and the light heavyweight championship passed from Levinsky, Carpenter, Siki, McTigue, Tunney and Greb during the same time.

FIGHTS AND FIGHTERS

New York—Gene Tunney, light-heavyweight champion and Verde Spalla, European heavyweight have been matched by Tex Rickard to meet in Madison Square Garden on February 15. Tunney will fight at 157 pound and his title will not be at stake.

New York—William Muldoon has changed his mind about retiring from the New York boxing commission, according to his friends and will accept a re-appointment by Governor Smith on January 1, if it is offered him.

New York—Tex Rickard preferred not to comment upon reports, from London that he was arranging a bout between Georges Carpentier and Tommy Gibbons to be contested here this winter.

ARLINGTON LOSES HARD FOUGHT GAME

Defeated by South Side Turners of Indianapolis in Over-Time Contest

TIED AT 23 WHEN GUN SOUNDED

The Arlington Athletic Club lost a hard fought game Thursday night at Arlington to the South Side Turners of Indianapolis, in which an extra 5-minute period was required to name the winner, and which resulted in a 33 to 27 score for the visitors.

The 40 minute period ended with each team having 23 points, and in the overtime session, the visitors had the best of the argument and Arlington had tough luck on hitting the goal. The first half saw Arlington leading, 10 to 9.

The curtain raiser was won by the Arlington Juniors, who defeated the Carthage Yankee Five, 43 to 20.

The line-up and summary:
South Side 33 Arlington 27

Richeson F Haley
McClintic C E. Headlee
O. Brown G Miller
Smith G Wicker

Substitutions, Means for Shook, L. Headlee for Haley; goals, Shook 2, E. Headlee 4, Means, 3, Haley, L. Headlee 3, Brown 2, Richeson 3, McClintic 5, O. Brown 4, Smith. Foul goals, Arlington 1 out of 5; South Side 3 out of 3.

BY MARGIN OF FIVE POINTS

Fairview Athletic Club Defeats Westland Independents, 37 to 32

The Fairview Athletic club won a five point game Thursday night over at Westland, defeating the team of that place 37 to 32. The game was close at all times, and the Westland team prepared to down the Fairview team by adding a few extra players to their list. Westland was previously defeated at Fairview by a top-heavy score.

The Fairview team also won a game the night before at Connersville, when they defeated the high school alumni team at Heck's rink, 38 to 15. The score at half time was 14 to 11, but in the last half the Fairview bunch walked off with the honors.

SUES ON AN ACCOUNT

The H. P. Wasson and Company, Indianapolis merchants, have filed suit in Justice Stech's court against O. P. Wamsley, the complaint being on an account and with the demand being for \$35 judgment. The case has been set for trial in this court on January 2, at 11:30 o'clock.

TRESTER MAY QUIT POST AS SECRETARY

High School Athletic Association Secretary is Considering Another Position

MOVING SPIRIT IN THE BODY

Anderson, Ind., Dec. 28—A. L. Trester, of this city, secretary of the Indiana High School Athletic Association, admitted today that he had informed officers of the Laporte, Ind. Chamber of Commerce that he would consider the secretaryship of the Laporte Chamber of Commerce if the offer were satisfactory. Mr. Trester stated that acceptance of the Laporte position would mean his resignation as secretary of the state high school athletic body, but asserted that thus far no satisfactory offer had been forthcoming from Laporte. Trester has been the moving spirit in the state high school athletic body for a number of years.

Mr. Trester was in Laporte two weeks ago and at that time there was some discussion with him regarding the secretaryship of the Laporte Chamber of Commerce. A week ago Mr. Trester received a letter from Laporte asking him if he would accept the position of secretary. Mr. Trester responded that he would consider the place if the offer were satisfactory. No reply has been received, he stated today.

COACHES WILL MEET ELKS

Rush County Meets to Talk on Shelbyville Net Team Here

A real basketball game is expected here next Wednesday night at eight o'clock, when the Rush County Coaches meet the Shelbyville Elks on the Modern Appliance floor.

The Elks have been travelling fast this season and nosed Arlington out by a field goal a few nights ago, and they also swamped the Moscow Independents. The Coaches will put forth a big effort to win the game, and it is said that if they play the kind of ball that they did against Fairview, that Shelbyville will be turned back. Neither team has announced their line-up, but the Elks will be composed of former high school stars of that city, and all of the coaches of this county will be in action against them.

Clarke in a sensational statement declared he was through with the Klan; that a reign of lawlessness, "almost beyond belief" is attributable to Klan strength in Texas, Louisiana, Arkansas, and Oklahoma; That in Ohio, Michigan and parts of Illinois, the Klan is becoming "a master political machine."

Clarke said licensed carrying of guns by Klansmen should be prohibited as the influence on the individual who carries the gun is injurious and serves to make him an undesirable citizen in addition to giving him powers of intimidation which should belong only to regularly constituted officials of the law.

In Pennsylvania and Indiana licenses to carry guns have been and are being obtained by Klansmen under an old law with relation to the protection of cattle and other animals," Clarke said.

"I am informed that within the last few days about 150 such commissions were issued at one time in Indiana and Ohio.

MOVIES

Comedy Drama of The West

Hoot Gibson, the inimitable Western screen humorist of "The Gentleman from America," "Kindled Courage" and other Universal successes, is at the Mystic theatre today in the starring role of a rollicking comedy drama of the old West, "Dead Game."

"Dead Game" is the tale of a young man of the Texas ranges who knew the ranges and his horse awfully well but when it came to women he was at a terrible loss for knowledge. An old man sitting on a rail fence rudely informed him that he was a "dumb bell" where the ladies were concerned. From then on the "lesson" in love was spirited and entertaining for all who were entangled in it.
